##### **1. PRINCIPAL'S REPORT**

##### **Staffing**

Mrs Denise Carwardine (3P) will not be on class for the rest of the year as she is looking after a sick family member. An unfortunate start to her time here at Normanhurst West and hopefully everything will have improved by the start of 2020. Miss Daboul will continue as the teacher of 3P for the rest of the year which the school is very appreciative of. Kindergarten numbers for 2020 will be around 50 which will mean 3 classes.

##### **School Maintenance**

The School is undergoing a lot of maintenance that was backlogged over the past couple of years. Painting is occurring throughout many areas including B Block, the Hall, E Block and one of the Demountable buildings. During the next holidays, A Block will be completed repainted and new windows installed. New roofing has also been earmarked for A and D Blocks which may also occur during the next holidays. 2 new Air Conditioners will also be installed soon in A Block in the large room which is used by OOSH and preschool. Funding provided by the Department of Education.

##### **New Signage**

The P&C funded signage has now been installed throughout the school and has been met with a very positive response by all who have seen it. Thank you to the P&C for the much-needed funds to make this happen.

## **Family Fun Day**

## **2. PRESIDENTS REPORT**

Good evening everyone!

First off, apologies for the cancellation of last month's meeting. Unfortunately, we had quite a lot of executives unable to attend, myself included. But we are back, and it feels like we are back with a bang. What a hive of activity our school has seen!

Finally, our Earn and Learn sticker awards from Woolworths arrived – we will put a post up on FB as soon as we can. We have the final figures for Colour Run – Kelli will update.

Our band has done AMAZING things once again in the world of music and keeps on going from strength to strength.

Our first dad's camp which became our 2nd dad's camp due to the weather cancellation is about to happen – my kids are pumped.

Canteen and uniform pool is doing well but for a requirement for volunteers and Oosch is tracking well too.

Upon reflection on the year gone by and all the activities we have had and all the activities that are still about to happen, there is a common thread with all of these events.

This thread is our parent volunteers. None of the events that was held this year, none of our sub committees and none of the events we are about to venture into for the last stretch of this year is possible without the willingness of our parents. Which brings me to our "nomination for the volunteer of the year".

I just wanted to convey, that any parent, whether a class parent, canteen mom, uniform lady, dads bbqing, setting up or packing down, anyone who has put their hand up to help out could've been nominated. They didn't have to run a big event like FFD or Colour Run.

We do however acknowledge that we can not function without the assistance of every single volunteer.

To all the individuals who helped out on FFD, thank you. It was great to see and experience how our community came together and stepped up and helped out. I have heard nothing but great feedback from the community on a gorgeous day and a family fun filled event. And how amazing for our entertainment especially our dad's band!!!! I do have a little something to share with you (playing 2 short videos on the TV).

To Paul and Evan, thank you for always participating and not just sitting on the sideline observing. You are a great example to the kids, and it is no wonder that our kids have so much respect and admiration for you both. As a parent, it really is lovely to see the two of you get in on the action and create a bond and respectful friendship with the kids who look up to you.

Lastly, I would like to inform our community, that Optus has put a DA Application forward for telecommunications tower at Normanhurst Oval. We encourage our community members to make their own enquiries.

Have a wonderful rest of the week everyone!

Christelle

P&C Volunteer 2019 Nomination 100

*Spoken to Sue: \$25k grant has been submitted will get this month. Will prepare library smart board and \$100 per class. Still pending on the rest*

Bee had a discussion with Abisheek, the new band treasurer. Band is currently using Cashbook whilst P&C use Xero. Band current treasury process is very manual and requires a lot of manual work to do invoicing and reporting. Decision was made to move from Cashbook to Xero to make things easier and to have everything in 1 place. The idea is supported by P&C members. Dane Thierney, P&C auditor recommends moving in the new financial year to ensure consistent report can be generated for this financial year. Abisheek will still run Cashbook in parallel with Xero for the remaining of this financial year and move completely to Xero in the new year to ensure consistent reporting for this year.

## 4. SUB-COMMITTEE REPORTS

### **4.1. Canteen**

No Update – need a new convenor in the new year as Karen is finishing up.

#### **4.2. Band and String**

Senior band were on a tour Tuesday 22 Oct

They performed at Regentville Public School, Springwood Public School, Scenic World. In total 3 Concerts were performed but the group was lucky enough to squeeze in some time for sightseeing at scenic world. By all accounts, it was an amazing experience and fun was had by all. Thank you to all the parents and Mr Curren for attending.

All of our bands performed at Hornsby North Band Festival which was held on the 3rd of November

The results were superb

Training band - distinction

Intermediate concert band - distinction

Senior concert band - high distinction

Jazz band - high distinction

Band's end of year Gala night will be held on the 28th of Nov here at school.

It is a very relaxed evening of music performed by all our bands and ensembles. Bring your own chair/picnic blanket and some snacks, sit back and enjoy. Start time will be confirmed closer to the date. The event is open to all families, not just band families.

#### **4.3. OOSH**

Funds at bank (as at 19 Nov 2019):

Transaction A/C : \$2,630.54

Cheque A/C : \$98,977.27

OOSH enrollments for 2020 have taken place in the first half of Term 4 and I'm pleased to say all offers of places were made to families in Week 5 (this is the earliest in my 7 year experience with OOSH). Massive kudos to our new Director Roslyn Doyle for making this happen. We currently have waitlists on Tuesday, Wednesday and Thursday afternoons - the waitlists are not extensive at this point and we are confident we will be able to accommodate most requests once families come to better understand their care needs. We have however seen about 10-15% increase in enrollments for morning sessions, again this may settle as families review schedules and needs. For 2020, we have 269 children enrolled (across 171 families).

Vacation Care during the Summer holidays will run on 19 & 20 December (the pupil free days) and then again from 2 - 28 January.

OOSH has now implemented a recycling program - including separating recyclables and reusing as much as possible for children's activities.

The OOSH committee is recruiting for Treasurer in 2020 and new members. The commitment is one meeting per term (Wednesday of Week 5 @ 7.15pm).

#### **4.4. Uniform Pool**

Uniform Shop Subcommittee Report October/November 2019

Term 4 got off to a strong start with the shop being quite busy on the first day back, both with over-the-counter sales and Flexischools orders. Sales were also strong during last week's orientation day opening times.

Despite encouraging parents to place their orders online in advance via the Flexischool's special orders page, only a few took advantage of this. Those that did, were appreciative of having their order pre-packed and ready for them to collect without the queues! The Flexischools page has since been updated to allow Kindy 2020 orders to still be placed and collected from the uniform shop during our regular opening times. A special thanks goes out to all the uniform shop volunteers who gave their time to help during the kindy orientation days.

#### **Storage Space**

We have received a lot of stock recently in preparation for the coming term. In particular, the school bags which we order in bulk to keep costs down, are taking up a lot of space. It would be very helpful if we could store these boxes elsewhere to free up the working space in the shop. Does the school have a suitable dry and safe area we can use? **School has confirmed there is no suitable available space.**

#### **Uniform Shop Committee Vacancies**

The following volunteer vacancies are now vacant and need to be filled for 2020.

- Uniform Shop Co-Convenor (to work alongside current co-convenor)
- Second-hand clothing Convenor
- Band uniform Convenor (new role)

Our current Co-convenor, Kate Ward, and Second-hand Convenor, Penny Eccles, will be stepping down from their roles at the end of this year. The Band Uniform has only recently been handed over to the uniform shop to manage, so this is a new role.

These positions will be advertised in the forthcoming weeks via the various means (Facebook P&C page, P&C newsletter, school newsletter). Further details of the roles and the time commitment involved can be provided to anyone interested in learning more.

Our current Treasurer (Tahereh Oskooi), Secretary (Darcy Weber) and Co-convenor (Jenny Shi) will continue in their roles next year.

#### **4.5. Languages**

No update

### **5. Business Arising**

#### **5.1 Sport Shirt Update**

The colour is much better, and the quality is very good, snag free is slightly more expensive. The official communication will go out tomorrow morning and sample of the uniform will be on display in front of school hall in the morning and afternoon for school drop off and pick up. It will also be on display for OOSH parents to OOSH parent at pick up time.

### 5.7 P&C Of the Year nomination

Angela

Thank you to everyone who nominated and acknowledge the efforts of our volunteers this year.

The P&C received a total of 19 nominations. These nominations were presented at the P&C meeting last night and all P&C members who attended voted.

Lisa Richardson was successfully voted as NWPS Volunteer of the Year for the reasons below.

Lisa has volunteered in many capacities over the time we have been at the school with her. She's a no nonsense, efficient, fair, motivated person who does so much for the school without many people knowing. She's worked tirelessly on the OOSH committee, ensuring that we have a safe & fun environment for the children after school. She's stepped into roles and developed an amazing working relationship with staff. She's also on the P&C executive committee where her business acumen is put to very good use. Most recently she has volunteered on the year 6 dinner committee and working to ensure the graduating children have a night to remember. She's taken on a big job and is always organised, focused and inclusive. Lisa is one of those parent volunteers that every school need - she takes on projects with gusto and "gets stuff done". She's a full-time working Mum with plenty on her plate but still finds time to dedicate her services in ensuring not only her own children but all of our children have a wonderful, memorable experience at primary school.

Lisa has tirelessly committed her time as on the P&C Exec and convener for the OOSH subcommittee for the past 3 years. She has demonstrated skill and care in working with the school and broader community to increase the number of spaces for our school's before and after school care. As a result, her time as a volunteer this year has see an increase in the number of OOSH spaces from 110 to 164. This has greatly reduced waitlists for families in being able to obtain appropriate care for our children. Her volunteer work and effort this year has benefited our school community.

Well done Lisa. Lisa will now go to represent our school at the NSW P&C Federation P&C Volunteer of the Year awards.

The P&C would also like to acknowledge the following volunteers who were also nominated.

Kelli Thwaites, Kirsten Alexander, Angela Yee, Michelle Duncan Nagy, Michelle Gyler, Christelle Hechter, Linden Brown, Kate Ward and Andy Fiddes.

Well done everyone!

### Report received after the meeting concluded

#### **FFD**

We were fortunate with beautiful sunny weather which drew a crowd of almost 3,000 people to our Family Fun Day this year.

Our wonderful school community came together to all pitch in to make FFD 2019 a fun and successful day. It was wonderful to see so many school families; both past and present attend this year as well as many of our fabulous teachers. Thank you to Paul, Evan, Greg, Mel and Braden who were brave enough to endure the Dunk Tank which was a big hit with the kids! The kind hearted and generous Korean Mum's from our school were up at 2am to make fresh sushi, dumplings and other delicious delights and their stall was popular and looked fabulous!

The wonderful canteen ladies delighted the crowds, both young and old with their Hot Dogs, Slushies, Snow Cones and other treats and set a new FFD record for the canteen! Our BBQ Stall was also popular although we did over cater and had to sell off stock cheaply in the end.

The Cake & Lolly Shop received many donations to make it a success on the day. The Chocolate Toss was popular with kids as was the ever favourite Sponge Throw. Thrift Shop and Book Shops were also both popular fundraisers. Overall it was a great day for our school, both for community spirit and also for fundraising with a profit of over \$36,600 raised.
